CRIME SURVIVORS FOR SAFETY AND JUSTICE

Who  
speaks for  
survivors?

## Concentration of victimization

Not everyone shares equal risk of  
experiencing victimization

Those who are at greatest risk are:

Young people,  
especially 16 –  
25 year olds

African  
American and  
Latino people

Poor people  
(earning under  
\$25,000/yr)
